Palm Kaikoura PFD

Designed for long days afloat, the Kaikoura touring PFD blends tough ripstop and CORDURA® fabric with Flex Fit buoyancy foam for a secure, body-hugging fit. A soft FlexWeave lining and neoprene underarm panels keep it comfortable mile after mile. Updated clamshell front pockets organise essentials with VHF radio friendly two-way zips and clip-in points, while a rear hydration bladder pocket keeps you going on extended journeys. Built for touring paddlers who need comfort, storage, and durability all in one.
